

MARIAN GROTTO

ST. THOMAS MORE PARISH

ENGRAVED PAVER BRICKS & BENCHES – BACK BY POPULAR DEMAND!

In 1999, the old St. Thomas More Church was torn down. In 2001, the parish dedicated a Marian Grotto in the location of the old church. A memorial brick patio and walkway was installed along with a pond to the east of the patio.

We are pleased to announce that we have a limited number of bricks and benches available for the walkway. And the best news is the price is the same as in 2001: **\$100 a brick! \$5,000 a bench!** All profits from this drive will be applied to our 2009-2010 operating budget!

Now is the time to buy that brick or bench in honor of your loved ones and help to fund the parish at the same time. Please complete the form below and return it in a sealed envelope marked **“Grotto Brick”** by **January 31, 2010**. What a perfect Christmas gift! You may return your application in the Sunday collection, to the Parish Office, to the Finance Office, by US Mail, or in the drop box outside the Finance Office. We will update the Grotto with the new bricks and benches in late spring 2010. *All Grotto Pavers & Bench purchases are Tax Deductible in the year of the payment!*

*There are a limited number of benches and paver bricks available. It is “first come-first serve.”
We can not promise specific installation location requests.*
