### *Love is Our Mission: The Family Fully Alive!* *The First Ever Eastside Cluster* *Online Book Club*

What is more important...

to the health of society than the health of the family?  
to our personal happiness than the happiness of our families?  
for evangelization than the holiness of families?

**The answer is: NOTHING.**

This is why it is important for all of us to understand what the family is called to be and to help the family become what it is.

While only a few of us can attend the eighth *World Meeting of Families* in September in Philadelphia, all of us can support its aims. Most importantly, we can prepare our hearts and minds to be opened to learning what will be shared at the World Meeting. For our benefit, a book has been written to help us read and reflect on God's plan for marriage and families.

The Eastside Cluster of Parishes is inviting individuals, couples and small faith groups to join an online book club study on this vitally important topic for our times. As St. John Paul II said, "The future of humanity passes by way of the family." Join the struggle to understand the mission of the family and help families become what they are supposed to be.

Book club pick. *Love is our Mission* by The Archdiocese of Philadelphia and the Pontifical Council for the Family Starting in June we'll highlight a chapter and provide reflections, insights and questions to ponder. Everyone can share. We are excited to host a lively online conversation across parishes.

**Join the book club.** Sign up to receive email reminders for each chapter at <http://www.shelfari.com/groups/109471/about>. Add your name to our group: "Eastside Cluster Parishes." Registration is free although an Amazon ID is required.

**Get the book:** *Love is Our Mission*. You can download a free PDF copy of the book at: <http://freeonlineliteraturedownloads.com/love-is-our-mission-pdf/> or you can purchase the book at Innervations Religious Store on Beechmont or at any ebook publisher website such as Amazon, or Barnes and Noble.
