***A MERRY CHRISTMAS AND A BLESSED
NEW YEAR TO ALL OUR FRIENDS***

To our parishioners, their relatives, guests, seasonal Mass attendees, or those who are looking to join a faith community....Welcome to our celebration of the Christmas liturgy.

To our parishioners, we are looking forward to the coming year. If you are not active in the community, we invite you to consider the many ministries that are being formed at this time. We simply need your gifts if we are to become the faith community Christ came to create.

To those of you who are seasonal Mass attendees, we eagerly invite you also to become active within our community. Over the years as a priest I have seen the many blessings bestowed on those who become more involved in their faith life. Please join us throughout the coming year.

For those of you looking for a faith community, we invite you to consider us. I believe we are on the threshold of a very exciting year and I do believe we need you to be part of it.

So I say once again to all....Have a merry and holy Christmas and a blessed New Year.

We look forward to St. Thomas More Parish being blessed with your continued presence.

Pastor*

**With the gifts and talents of our community
the list of support groups is endless.**

Truly celebrating Christmas means deepening our appreciation of the gift of humanity God has given us. He created us in His image and what an awesome privilege it is for us to be part of God's life. But participating in His life is always an open invitation to which we must freely respond over and over and over again.

Make an extra effort this coming new year to set time aside for your faith. If we think our faith is important we will find a way to make it a priority and set aside the time for it.

~ Reverend William C. Wagner, Pastor
